

## Friends of Gwinnett County Seniors Presents the 2017 Delivered with Heart Awards

Nominate someone you know for any of the following categories!

### **Advocacy Delivered with Heart**

This award is for the individual who advocates for Elders in our community through legislative action, social work, patient advocacy, etc. Please provide stories or anecdotes demonstrating how this person stands out in their advocacy for seniors in our community.

### **Caregiving Delivered with Heart**

Providing care for an elderly or disabled individual can be difficult and stressful. This award is for the family member or professional caregiver that goes above and beyond to deliver care with the utmost compassion and respect.

### **Volunteerism Delivered with Heart**

Everyone knows someone in the community that gives of themselves in ways that inspire all of us to do more. This award is for the person that impacts the lives of seniors through unselfish contributions to those around them in need.

### **End of Life Care Delivered with Heart**

It takes a special person to provide care and comfort to individuals and families facing the final stages of their journey. This award is for one that delivers this care with extraordinary love and compassion.

### **Community Delivered with Heart**

Providing a clean, safe and comfortable place for seniors to live is essential for the well-being of our seniors. Creating an environment where seniors can feel welcome and thrive is a unique capability. This award recognizes one that has that unique ability to make a senior community truly home.

### **Financial/Legal Security Delivered with Heart**

Security is of paramount importance to any senior. This award is to the outstanding individual that provides a confidence in their clients that their future is secure – whether with respect to investments, or through legal preparation or advocacy.

### **Skilled Care Delivered with Heart**

Most seniors want to be involved in their own care. This award is for the health care practitioner or skilled care provider who provides Seniors with care that helps them feel empowered, connected and known within the practice.

### **Care Management Delivered with Heart**

Many families are blindsided and bewildered when a loved one suddenly needs assistance with an array of senior health and legal issues. This award is for that provider that makes navigating this complexity simple and understandable.

Awards will be announced on November 2, 6:00p-9:00p, at 550 Trackside, Lawrenceville, Georgia. Tickets will be \$50. Check the Friends website at [www.friendsofgwinnettseniors.org](http://www.friendsofgwinnettseniors.org) for details.
